***** No entry will be accepted without the correct safety equipment *****

The seaworthiness of the vessel is the responsibility of the captain and their crew. Vessels putting to sea do so at their own risk. Safety equipment as specified as specified by the SA Department of Transport and Infrastructure must be carried as a minimum. We also understand that the declaration of Gale Warning by the appropriate government weather authority (Bureau Of Meteorology), will automatically require cancellation of the Tournament until such warning has been lifted. In the event of such a declaration whilst vessels are at sea, such vessels are required to cease fishing and return to port immediately!
